PERFECT COMPATIBLE

AUTO-01

Center Console Storage System

A coordinated storage range for front console, rear console, armrest and cup-holder areas.

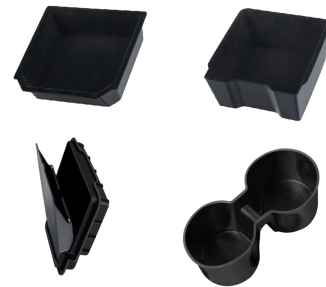

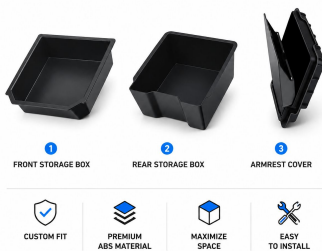

CENTER CONSOLE STORAGE BOX SET

COMPATIBLE WITH NEW MODEL MY

CENTER CONSOLE STORAGE BOX & ARMREST COVER SET

COMPATIBLE WITH MODEL Y / 3

- Vehicle-specific organizer combinations
- Front, rear, armrest and cup-holder options
- ABS and soft-mat configurations by SKU
- Logo, packaging and bundle customization

FITMENT NOTE Fitment and set contents must be confirmed by vehicle model and model year.

AUTO-02

Magnetic Hidden Storage Boxes

Low-profile console and armrest storage solutions designed to add usable space without changing the cabin.

COMPATIBLE WITH 6-SEAT YL / NEW MODEL Y / NEW MODEL 3

CENTER CONSOLE MAGNETIC HIDDEN STORAGE BOX

1-PIECE SET

COMPATIBLE WITH NEW MODEL Y / YL / 3

ARMREST HIDDEN STORAGE BOX

1-PIECE SET

OEM STYLE Armrest Storage Box for 6-Seat YL / New Model Y / New Model 3

BEFORE INSTALLATION

Low space utilization, items in the center console are easy to get messy and have nowhere to place.

AFTER INSTALLATION

Integrate original car hidden storage, utilize reasonable space to store hidden items.

- Hidden, OEM-style installation
- Magnetic cover and soft-close designs
- Front-console and armrest versions
- Bulk-order packaging available

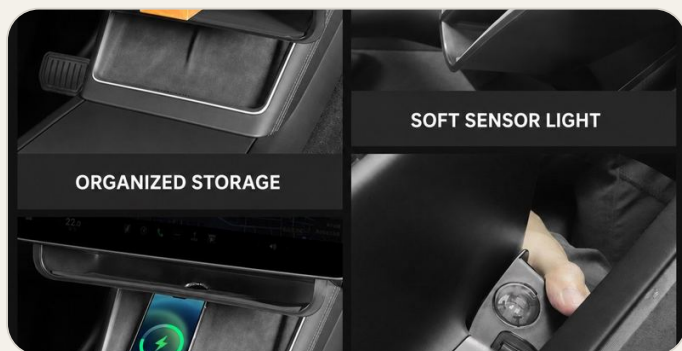

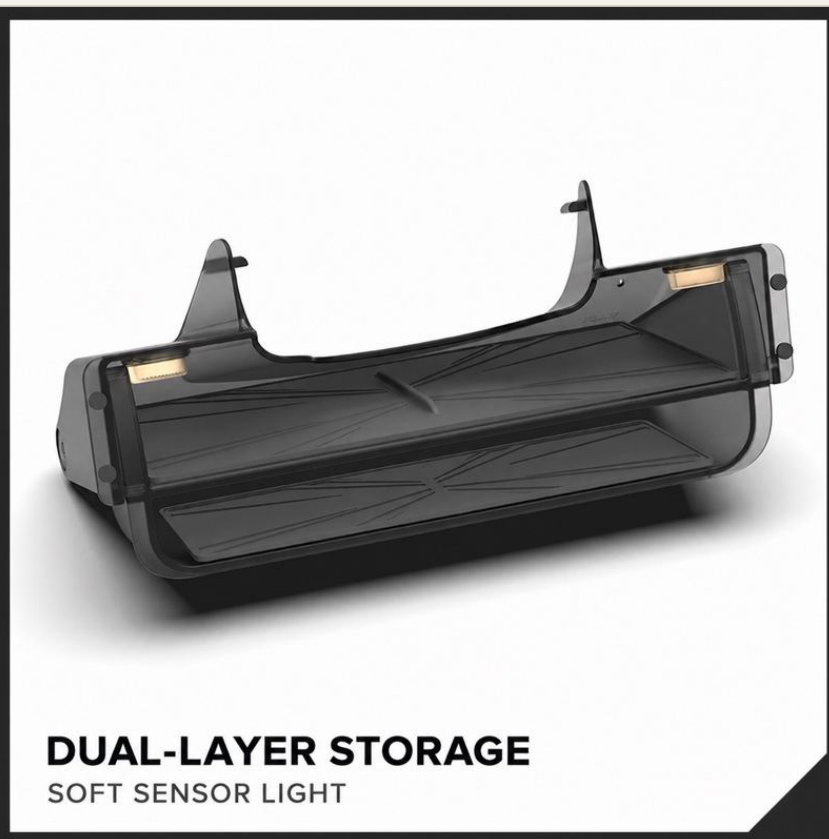

FITMENT NOTE

Compatible versions shown for selected Model Y, Model YL and Model 3 interiors.

AUTO-03

Under-Screen Storage Tray

Custom-fit storage below the center display, with single-layer, wraparound and illuminated dual-layer options.

- Clip-on installation without drilling
- ABS tray with non-slip PVC mat
- Wireless charging area remains accessible
- Single, wraparound and dual-layer choices

FITMENT NOTE

Compatible versions are available for selected Model 3, Model Y and Model YL displays.

AUTO-04

Lower Center Console Organizer

Turns the open lower-console area into organized storage for daily-use items.

QUICK, TOOL-FREE INSTALLATION

Drop in and use—no vehicle
modification required.

FOR TESLA MODEL Y STANDARD (2025)

FOR TESLA MODEL Y STANDARD (2025) LOWER CENTER CONSOLE
STORAGE ORGANIZER

- Custom fit for selected Model Y interiors
- TPE and ABS + PVC versions
- Tool-free drop-in installation
- Optional removable upper tray

FITMENT NOTE

Dimensions and version selection are confirmed against the target vehicle.

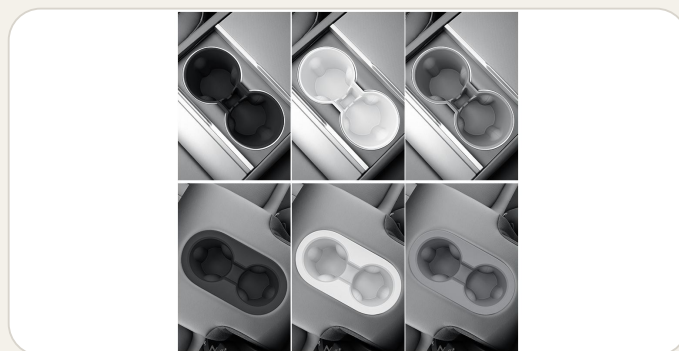

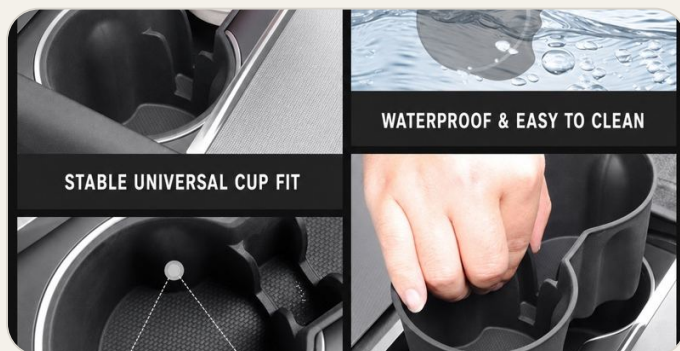

AUTO-05

Cup Holder Inserts & Mats

Easy-clean inserts for center-console and rear-armrest cup holders.

SILICONE CUP HOLDER INSERTS
FOR TESLA MODEL Y (2025 REFRESH)
CENTER CONSOLE & REAR ARMREST

- Silicone and TPE material options
- Waterproof, removable and easy to clean
- Helps stabilize cups while driving
- Black, white and gray color choices

FITMENT NOTE Fitment shown for selected Model Y 2025 refresh and related compatible versions.

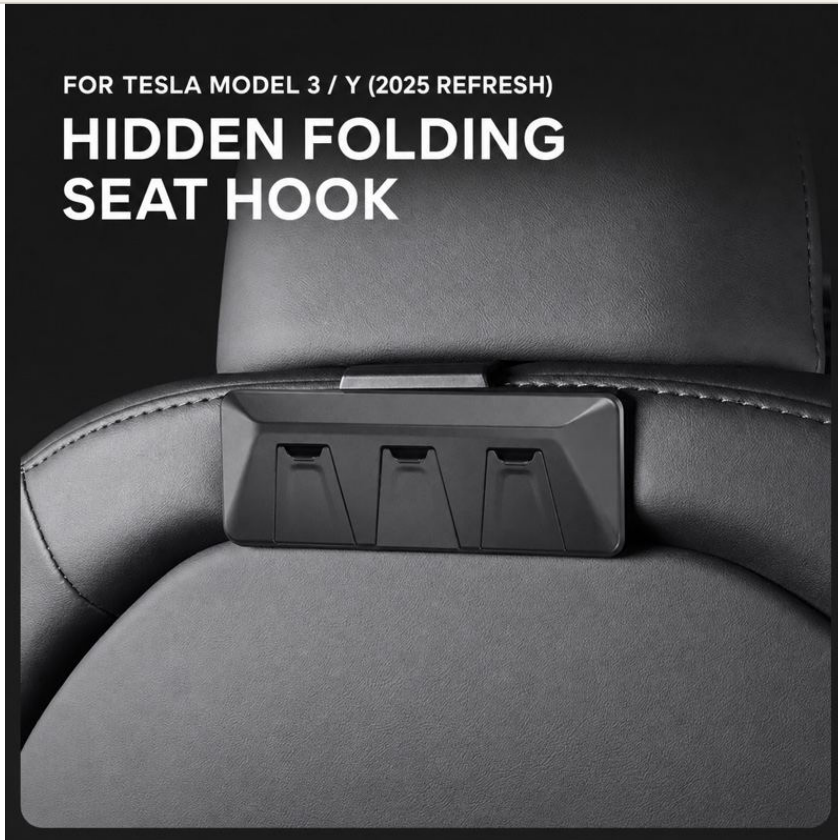

AUTO-06

Hidden Folding Seat-Back Hooks

Fold-flat hooks add practical bag and accessory storage while maintaining a clean cabin.

FOR TESLA MODEL 3 / Y (2025 REFRESH)

HIDDEN FOLDING SEAT HOOK

- Independent folding hook design
- Durable lightweight ABS construction
- Snap-in installation without drilling
- Seat-back and headrest styles available

FITMENT NOTE

Seat type and Performance-version compatibility should be confirmed before ordering.

AUTO-07

Door Striker & Check Covers

Custom-fit covers create a cleaner finish and help protect exposed door hardware.

MODEL Y / 3 DOOR STRIKER COVERS

For Tesla Model Y and Model 3

- Door striker and door check coverage
- TPE or ABS construction by SKU
- Tool-free snap-on installation
- 4-piece, 6-piece and 8-piece sets

FITMENT NOTE Model-specific set configuration must be confirmed before production.

AUTO-08

Silicone Display Protective Frame

A soft full-cover frame designed to cushion exposed center-display edges and rear housing.

16-INCH SILICONE DISPLAY PROTECTIVE FRAME
FOR TESLA MODEL 3 / Y / YL (2025 REFRESH)

- Flexible silicone edge protection
- Slip-on installation without modification
- Wider rear housing coverage
- Black, white and gray color options

FITMENT NOTE Vehicle model year and display size must be confirmed because frame dimensions differ.

AUTO-09

Tempered Glass Screen Protector

Vehicle-specific center-screen protection prepared for private-label retail programs.

- 15.4-inch vehicle-specific version shown
- Clear tempered-glass protection
- Retail packaging can be customized
- Model and screen dimensions confirmed by SKU

FITMENT NOTE

Confirm screen size, vehicle model and installation kit requirements before quotation.

AUTO-10

Roof & Windshield Sunshades

Heat- and light-management options for panoramic roofs and front windshields.

- Panoramic-roof and windshield formats
- Custom-fit two-piece roof designs
- Black and light-color material options
- Compact foldable storage for windshield styles

FITMENT NOTE

Fitment and material construction vary by vehicle platform and selected version.

AUTO-11

FITMENT NOTE

Product shape and piece count vary by vehicle configuration.

AUTO-13

Mud Flaps & Splash Guards

Model-specific splash protection for wheel-arch and lower-body areas.

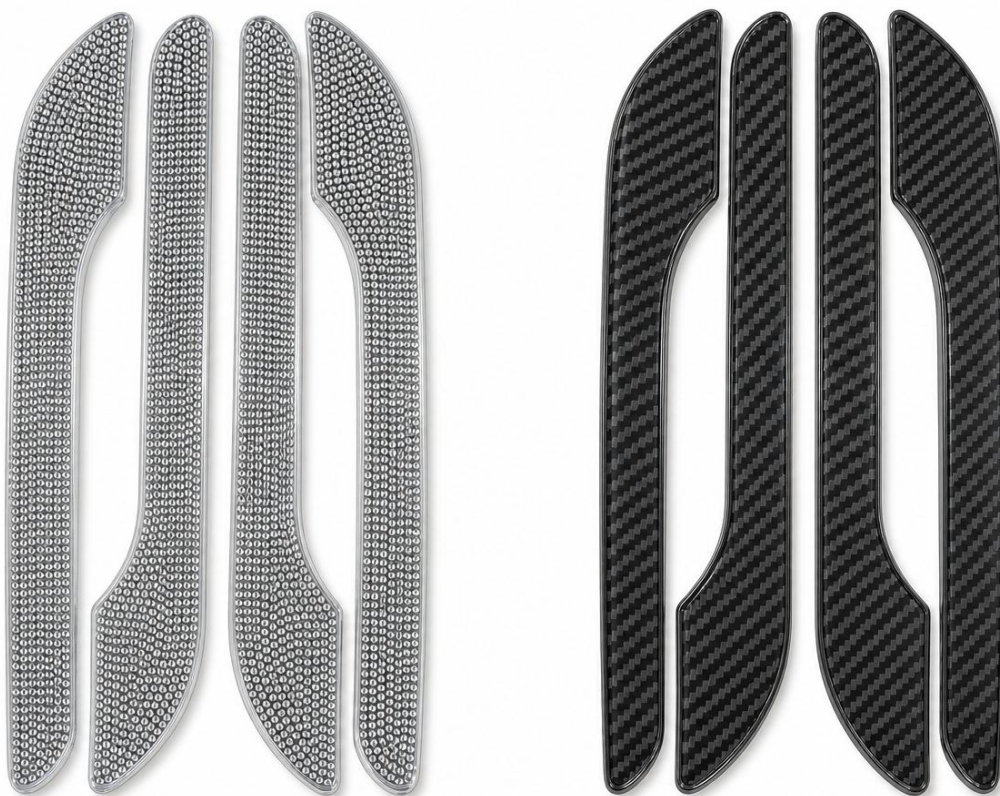

- Four-piece vehicle-specific sets
- Clean molded finish
- Installation hardware can be included
- Logo and retail packaging support

FITMENT NOTE Fitment, hardware and material are confirmed for the selected vehicle.

AUTO-14

Exterior Door Handle Covers

Protection and appearance upgrades for selected exterior door-handle areas.

- Four-piece vehicle-specific sets
- Rhinestone and carbon-fiber appearances
- Clean molded fit
- Finish and packaging customization

FITMENT NOTE

Material, finish and fitment are confirmed against the requested vehicle.

AUTO-15

Metal-Finish Pedal Cover Set

A clean driver-area upgrade combining a metal-look face with anti-slip inserts.

- Accelerator and brake pedal pair
- Anti-slip black inserts
- Brushed metal appearance
- Vehicle-specific fitment available

FITMENT NOTE

Confirm base material, dimensions and vehicle application before quotation.

AUTO-16

USB Hub Adapters

Integrated charging and data-access solutions for center-console and glove-box locations.

- Center-console and glove-box formats
- USB-A and USB-C configurations by SKU
- Integrated cable and retractable-cable options
- Custom logo and retail packaging

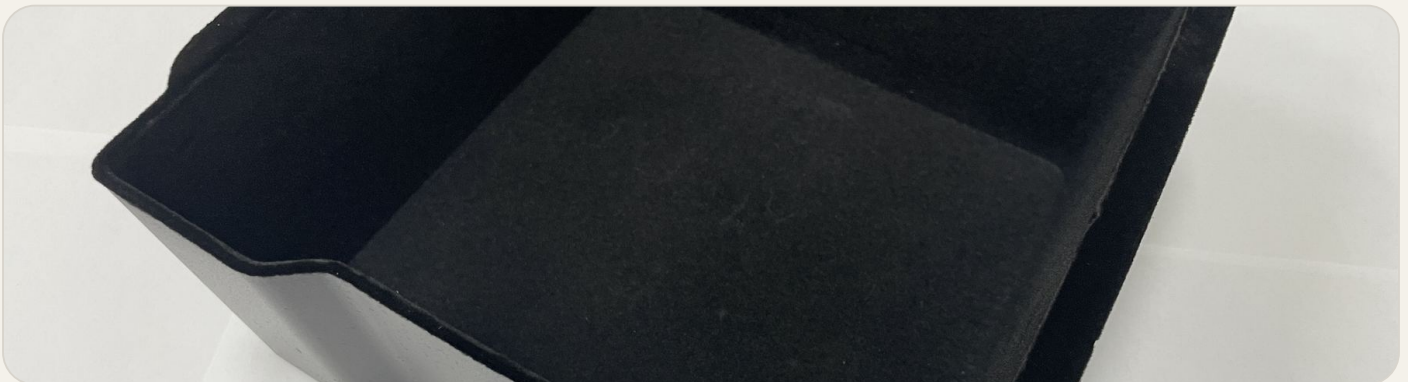

FITMENT NOTE

Port layout, output rating and vehicle compatibility must be confirmed for the selected version.

AUTO-17

Under-Seat Storage Box

A low-profile storage bin that uses otherwise unused space beneath compatible seats.

- Custom molded storage space
- Low-profile, easy-access design
- Durable black finish
- Model-specific fitment

FITMENT NOTE

Confirm seat structure, left/right location and vehicle model before ordering.

AUTO-18

Screen-Mount Magnetic Phone Holder

A compact mounting solution positioned at the center display for convenient phone access.

- Screen-mounted installation concept
- Adjustable viewing position
- Magnetic phone attachment
- Packaging and logo customization

FITMENT NOTE

Mount interface, device compatibility and magnetic standard are confirmed by SKU.

AUTO-19

Lifting Jack Pad Set

Protective jack-point adapters supplied as a four-piece set with a storage case.

- Four-piece vehicle lifting set
- Molded contact surfaces
- Protective zippered storage case
- Custom case marking and packaging

FITMENT NOTE Pad dimensions, material and vehicle compatibility are confirmed before production.

AUTO-20

Window Switch Panel Covers

Carbon-fiber-look trim panels for selected Ford Mustang Mach-E door switch areas.

- Custom fit for selected Mach-E interiors
- Glossy and matte carbon-fiber finishes
- ABS construction
- Adhesive installation without drilling

FITMENT NOTE Confirm model year, door configuration and finish before ordering.

PRIVATE-LABEL CONSUMER TECH

MOBILE & TECH ACCESSORIES

Protective, magnetic, desktop and outdoor accessories prepared for wholesale and private-label programs.
